USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

RELEASE OF LIABILITY

WITNESS READ THIS AGREEMENT CAREFULLY BEFORE SIGNING IT. YOUR SIGNATURE INDICATES YOUR UNDERSTANDING OF, AND AGREEMENT TO, ITS TERMS. BY SIGNING THIS AGREEMENT YOU (AND YOUR CHILD) ARE GIVING UP CERTAIN LEGAL RIGHTS INCLUDING THE RIGHT TO RECOVER DAMAGES IN CASE OF INJURY, DEATH, OR PROPERTY DAMAGE FOR ANY REASON INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE TRAINER, THE STABLE, ITS OWNERS, EMPLOYEES, LANDLORDS, AND AGENTS ("THE RELEASEES").

WITNESS THIS AGREEMENT this _____ day of _____ of the year _____, by and between Daren Robbins and Woodland Stallion Station (WSS) as the property owners and their employees collectively hereinafter referred to as MANAGER and _____ (printed name), and my minor child _____ (if applicable), hereinafter referred to as RIDER.

In consideration for allowing me (or my minor child) to handle and rise a horse on or off WSS property (hereinafter the "RANCH"), and for allowing me to visit the Ranch, participate in activities or use the amenities of the Ranch, including but not limited to the arenas, trails, cross country course, walking paths, parking areas, or other areas or equipment not heretofore mentioned, and on behalf of myself, my child, or our personal representatives, heirs, next-of-kin, spouses and assigns, the Undersigned hereby:

1. Inherent Risks and Assumption of Risk. The Undersigned acknowledges there are inherent risks known and unknown associated with equine activities and with visiting the Ranch premises and handling, caring for, and riding horses on the premises. The inherent risks include, but are not limited to the propensity of equines to behave in ways such as running, bucking, biting, kicking, shying, stumbling, rearing, falling, or stepping on. Even the most docile horse may occasionally act or react in one of the above mentioned behaviors that may result in an injury, harm, or death to persons on or around them; the unpredictability of equine reactions to such things as sounds, sudden movement and unfamiliar objects, persons, or other animals; certain hazards such as surface and subsurface conditions; collisions with other animals; the limited availability of emergency medical care; and the potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, such as failing to maintain control over the animal or not acting within such participants ability. Rider also understands that there may be other domestic animals on the Ranch premises, and that wild animals may come onto the RANCH property from time to time. Rider acknowledges that horses, by their very nature, are unpredictable and subject to animal whim. Rider assumes all risks in connection therewith, and expressly waives any claims for any injury or loss arising therefrom. The risks assumed while present on the Ranch premises for any purpose include the risk that the Release parties, their directors, officers, members, employees, contractors or agents, and Managers may be negligent. Rider also assumes responsibility for the loss of any personal property while on the premises. Rider agrees to abide by and follow Manager's rules and regulations, which shall be posted and available upon request. Rider agrees to further acknowledge that the behavior of any animal is contingent to some extent upon the ability of Rider. Rider assumes all risks therefore and warrants a full and fair disclosure of the RIDERS abilities has been made to Manager. _____ initial here
2. Acknowledge that the Ranch might have, at any time, unprotected, unfenced areas, including but not limited to the shop, the storage area, and any area under construction, where a loose horse might run through and stumble, fall, break a leg, or die. Furthermore, equipment and machinery, large or small, including but not limited to tractors, bulldozers, back-hoes, harrows, disks, seeders, equipment trucks, trailers, mowers, and golf carts, driven by the Ranch's Releasees, independent Contractors, other boarders, utility companies, neighbors or guests, as well as any other animal on the farm such as, but not limited to, dogs, cast, goats, donkeys, cows, llamas, birds, and coyotes, wild or owned by Releasees, independent contractors, boarders, utility companies, neighbors or guests, could spook or upset a horse causing it to buck, fall, kick, or run loose, all of which might cause the rider to fall and result in serious injury or death, and might cause the horse to run loose and collide with the aforementioned equipment and/or machinery and to run through the aforementioned unfenced, unprotected areas. _____ initial here
